

MEMORANDUM OF UNDERSTANDING

BETWEEN

**COMMUNICATIONS & MANUFACTURING ASSOCIATION OF INDIA (CMAI) and
SEMICONDUCTOR AND ELECTRONICS INDUSTRY IN THE PHILIPPINES, INC. (SEIPI)**

This agreement confirms the common desire of CMAI and SEIPI to maintain and promote cooperation and understanding, and the development of trade and business relations in the field of Semiconductor, Electronics, Telecom and IT Hardware between India and Philippines

In order to establish the above, CMAI & SEIPI agree to cooperate in the following areas:

1. Exchange of Information: Print and Electronic Media, Internet, Website, Monthly Publications, Directories & other relevant publications to promote each others' activities if & when directly relevant.
2. Identification and promotion of potential matchmaking opportunities for promotion of export services from either side.
3. Promoting links and matchmaking opportunities between Members to promote joint ventures, investment, strategic alliances and other business relationships.
4. Receiving and assisting incoming delegations.
5. Promoting or co-organising Trade Fairs, Conferences and Buyer-Seller Meets.
6. Coordination on Advisory/Consultancy Services on industry status and prospects, and the industrial and trade policies of respective Governments.

This Protocol becomes effective from the day of signing and shall remain in operation until either of the two parties requests its termination in writing at least three months in advance. Both CMAI and SEIPI will have the right to propose amendments to improve the cooperation between them, if and when they consider such amendments necessary.
