

CMAI Organization & Management

Board of Directors

The Board of Directors is highest decision making body which discusses all relevant issues.

Executive Board

Executive Board consists of Chairman, Vice Chairmen, President and up to eleven Directors, who are responsible for day to day management of CMAI

Boards and Focus Group Committees

The Boards and Focus Group Committees have been constituted to discuss in depth the strategic matters, policies, procedures and critical issues concerning the specific industry sector. Each Focus Group is headed by a Chairman and consists of Directors and Members.
