दिनांक/Dated.....April 25, 2013

Dear Shri Goyal

E-Waste Rules 2011, notified by Ministry of Environment and Forests, has mandated reduction in the use of hazardous substances (RoHS) in the manufacture of electronics and electrical goods. The RoHS testing would be mandatory for manufacturers or importers of electrical and electronic equipments w.e.f. May 1, 2014.

2. Keeping in view the requirement of Electronics Manufacturing Industry, Department of Electronics and Information Technology (DeitY) has established a NABL accredited (ISO/IEC 17025:2005), Restriction of Hazardous Substances (RoHS) analytical laboratory at Centre for Materials for Electronics Technology (C-MET), Hyderabad, which is in compliant with internationally acceptable Standard Operating Procedures (SOPs), as per ISO.IEC 62321:2006. Currently, this is the only testing and certification facility, set-up by Government of India.

3. Dr (Smt) Killi Kruparani, the Hon'ble Minister of State for Communications and Information Technology, would dedicate the Facility to the nation in an 'Inauguration Ceremony' being held on April 27, 2013 (Saturday) at 11.00 AM at Centre for Materials for Electronics Technology (C-MET), IDA, Phase-III, Cherlapally, HCL Post, Hyderabad – 500 051.

4. I request you to kindly make it convenient to attend the Ceremony to grace the occasion.

With regards,

Yours sincerely,

(Debashis Dutta)
