## CMAI Conference on Doing Business with India

"CMAI Conference on Doing Business with India" scheduled to be held during Korea Electronic Show, on 9th October 2012 at 3.30PM to 5.00 PM at KINTEX, Conference Room # 207 2nd floor Seoul Korea. The event is being supported by the largest electronic association of Korea - The Korea Electronic Association and also Indo-Korea Business Forum, Seoul.

CMAI is a National ICT, Multimedia, Electronic and Telecom Association in India with 56 International MoU partners and over 100,000 Direct and Indirect members based out all over India. We have a database of 400,000 entities operating in India with five International Offices and Six Regional offices with Head Quarters at New Delhi. CMAI MoU partners in Korea include KEA, KAIT, NIA, KICA, KICCA, KOVA KITA, IKBF. CMAI has been organizing the largest delegation from India to Korea Electronic Show since the past four years with delegates representing Ministry of Commerce, Education, Telecom, Information Technology to name a few. Details at [www.cmai.asia](http://www.cmai.asia), [www.cmaievents.com](http://www.cmaievents.com)

The participation is complimentary, the content rich presentations and Q&A sessions would be most informative and the give-aways would be a treasure of information benefiting your move to Doing Business with India. Mr. Goyal, President CMAI and Chairman Emeritus TEMA would be personally handling the entire Q&A and would also make a brief presentation. The schedule of events is as follows:

- Welcome Address
- Presentation on India Scope, Regulations and Business opportunities.
- Presentation on Korea Success Stories in India
- How CMAI can help the Korean Business Community
- Vote of Thanks
- Q & A

Kindly join the programme and register your participation by return mail.
