Dear Sir,

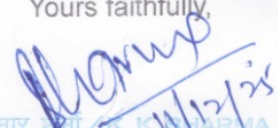

Please refer to your letter dated **19.08.2025** and the visit of your representative today regarding confirmation of whether the list of testing and laboratory equipment qualifies as part of *Research & Development* under **Explanation 1 of Section 7(1) of the MSMED Act, 2006**, read with **Notification No. S.O. 1722(E) dated 05.10.2006** issued by the Ministry of Small Scale Industries, for the purpose of calculating investment in Plant & Machinery for the MSE/SSI threshold limit of **Rs. 5 crores**.

In this regard, it is informed that **NSIC follows the above statutory provisions** for classification of Micro and Small Enterprises. As per the said Notification, **Testing Equipment and Laboratory Equipment are part of Research & Development activities and are excluded from the calculation of investment in Plant & Machinery**, since these items are **not directly linked to the manufacturing process**.

It is further certified that **NSIC adheres to the provisions issued by the Ministry of Micro, Small & Medium Enterprises from time to time** while issuing Enlistment Certificates to MSEs.

Thanking you,

Yours faithfully,
